

Build Back Broke		
Page	Pro	Con
18		\$2.5 billion slush fund that would send taxpayer dollars to radical environmental groups to plant trees and advance “tree equity.”
78		Makes illegal immigrants eligible for federal student aid and the enhanced child tax credit.
103		Gives the Department of Labor nearly a billion dollars in funding to increase enforcement of penalties.
105		Increases OSHA penalties on businesses that fail to implement the vaccine mandate up to \$700,000 per violation.
105		Increases Fair Labor Standards Act penalties by an astronomical 900%.
108		Creates a new civil penalty against employers up to \$100,000 and subjects directors and officers to penalties that wouldn’t apply to union bosses and officials.
214		Blocks the ability of many faith-based providers from participating in the childcare system and will lead to many of their closures
245		Requires pre-K staff to have a college degree, increasing the costs of care.
275		Appropriates \$250 million for "culturally appropriate foods" in school lunches.
361		Includes a tax on natural gas eventually up to \$1,500 per ton that could cost the American economy up to \$9.1 billion and cost 90,000 Americans their jobs
373		Appropriates \$3 billion for “environmental and climate justice block grants” and tens of billions more for green energy special interest subsidies, loans and other carve outs.
463		Uses taxpayer dollars to fund elective abortions
472		Requires HHS to advertise the expanded Obamacare tax credits in States that haven’t expanded Medicaid.

862		Grants 5-year parole to certain illegal aliens who file for parole, pay a fee, and complete a law enforcement background check to the satisfaction of Biden's DHS Secretary. Such a parole would include both travel and work permits, a REAL ID driver's license, and would be extendable until 2031
865		Bypasses annual limits on immigration by adding unused employment-based visas on top of the existing 226,000 family-preference visa floor and "recapturing" hundreds of thousands of previously issued visas from past years.
865		Gives lottery visas to anyone who was denied one due to the COVID-19 pandemic or because of President Trump's immigration policies.
867		Exempts certain aliens from the annual green card statutory limits which will act as a pipeline for U.S. employers to flood more cheap foreign graduates into millions of middle-class careers needed by American graduates.
876		Spends \$2.5 billion for "Community-based Violence Intervention initiatives" which could be used to deny the individual exercise of the 2nd Amendment without due process.
878		Spends \$500 million to hire new DOJ Tax Division agents to bring civil and criminal cases against Americans
912		Prohibits mineral and energy withdrawals on federal lands.
933		Overturms provisions included in the Tax Cuts and Jobs Act that authorized energy production in the Arctic that will result in 130,000 Americans losing their jobs and \$440 billion in lost federal revenue
936		Spends millions on the conversion of the Postal Service and General Services Administration vehicle fleet from internal combustion engines to electric engines at a time when there is a global microchip shortage and crippled supply chains.
954		Includes billions of dollars in research funding that will likely result in American intellectual property going to China

1013		Mandates “consequences” for conservative states that don’t meet the “green” climate standards while at the same time adding nearly \$4 billion for “Community Climate Incentive Grants” for cooperating states.
1065		Creates a paid leave entitlement that mandates that workers get 4 weeks of paid leave under which workers could “self-attest” their eligibility and do not even need to be currently employed.
1082		Allows the government to enter contracts, subcontracts, loans, and grants, with entities involved with using the forced labor of Uyghur Muslims in Xinjiang province in China
1434		Hundreds of billions of dollars in “green energy” tax credits will be given to those who can afford expensive electric vehicles and other “green” innovative products.
1527		Creates a tax credit worth up to \$900 when someone purchases an electric bicycle. And the credit wouldn’t start to phase out until a family makes at least \$150,000 a year.
1571		Appropriates \$10 billion for “environmental justice” higher education credit program to indoctrinate college students and advance Green New Deal policies .
1636		Continues welfare benefits without work requirements for able-bodied adults without dependents at a time where there are 10.4 million job openings—more openings than there are people looking for work.
1636		Spends hundreds of billions on welfare through manipulating the tax code.
1651		Doubles the Earned Income Tax Credit’s marriage penalty on childless worker benefits.
1656		Obamacare’s employer mandate will become more severe by adjusting the definition of “affordable coverage” to mean coverage that costs no more than 8.5 percent of income rather than current law’s 9.5 percent of income.

1717		Creates a new tax credit program that gives tax credits worth 40% of cash contribution that are made to university research programs.
1729		Cuts taxes on the rich by increasing, by more than seven-fold, the cap on state and local tax deductibility. Many of the top 1% wealthiest Americans would pay less in taxes.
1731		Includes a 15% minimum tax on book income which is a double tax on investment. This would raise taxes on American companies by hundreds of billions of dollars, kill 25,000 jobs, and reduce wages by 0.1%.
1883		Imposes Obamacare's 3.8% tax on net investment income, which now includes taxing small businesses that file as individual tax earners.
1923		Creates an \$80 billion slush fund to hire an 87,000-IRS-agent army that would be used to carry out the Biden administration's plan to review every account with more than \$10,000 worth of transactions in a year. The plan includes hiring 5,000 new armed criminal agents.
1932		Subjects small businesses with over \$600 in transactions to backup tax withholding requirements if they fail to comply with IRS regulations.
1934		Makes it easier for the IRS to issue penalties against taxpayers by removing the requirement that each penalty assessments be approved by a supervisor and instead, merely requires supervisors to provide quarterly reports on whether IRS employees are following the proper guidelines and requirements.
1955		Subsidizes union dues which will strengthen the influence of union bosses and not American workers.
1957		Creates a new tax credit for journalists while stealing from the Medicare trust fund, which will be completely depleted by 2026.

1970		Funds millions to trial lawyers by allowing plaintiffs' attorneys to deduct out of pocket litigation costs in the year they are incurred, rather than waiting until the conclusion of the litigation.
1973		Imposes a new tax on nicotine despite President Biden's pledge not to tax people that make under \$400k.
1977		Institutes government price-setting of prescription drugs which has shown to be likely to lead to significantly decreased private investment in new cures.
2114		Increases the out of pocket costs for seniors' prescription drugs by repealing President Trump's Rebate Rule which passes through rebates directly to consumers at the point of sale.
